WELCOME TO WROCŁAW

The European Ultimate Federation (EUF) and World Flying Disc Federation (WFDF) will be coming together to host both their bi-annual youth and junior Ultimate events together in one tournament. The 2022 Joint Junior Ultimate Championship (JJUC) tournament will be hosted by Local Organising Committee (LOC) Duch Gry led by Michal Dul and Dariusz Urbanik and their experienced team of key staff. The Joint Junior's (JJUC) will be hosting both events in Wrocław, Poland from Saturday 6th through until Saturday 13th of August, 2022 inclusive (8 days).

Europe's youth national teams will be competing at the EUF 2022 European Youth Ultimate Championships (EYUC) for the under-17 mixed, open and women's title. The world's best national teams for junior under-20 players will compete in the WFDF 2022 World Junior Ultimate Championships (WJUC) in the under-20 mixed, open, and women's divisions. **These are two separate events** where competition and awards remain separated and participants will be competing for two (2) separate Championship titles.

A warm Polish welcome to Wrocław, the city of 100 bridges. Wrocław is a university city with a student population of over 130,000, making it arguably one of the most youth-oriented cities in Poland and a perfect venue to host EYUC and WJUC participants. The 2022 Joint Junior Ultimate Championships (JJUC) is taking place at the Pola Marsowe Fields in Wrocław, a venue familiar to most as host of WFDF and EUF events over the past 10 years.

It is estimated that teams from over 20 nations comprising approximately 800 athletes will take part in the JJUC Tournament. Countries from within Europe will have the chance to register and compete at both EYUC and WJUC in the six listed divisions across both events, while countries sending teams from the All Africa, Asia-Oceanic and PanAm regions will be playing for Under-20 World Championship titles in the three WJUC divisions.

On the following pages you will find the details you need to begin the JJUC registration process. There will be one (1) combined registration and one (1) payment process for JJUC. **Please pay attention to action points highlighted in red.** We've also included some extra details on transport and accommodation to help you with your decision planning, however all teams are reminded strongly that NO BOOKINGS for flights, visas, hotels should be made until we close the REGISTRATION (collect fees) for the event once we are sure it is viable and safe to host the event due to the pandemic.

Should you have any immediate questions that affect your ability to pre-register your teams, please feel free to reach out to EUF and WFDF (contact details on the back page of this bulletin). Teams from all EUF and WFDF member National Federations are welcome to participate in the divisions/events for which your country is eligible. We look forward to hosting you in Wrocław Poland in 2022.

EVENT DATES

JJUC will be an eight (8) day tournament from Saturday 6th to Saturday 13th August, 2022 inclusive. Should weather cause delays to play, both schedules will be adjusted accordingly to ensure the finals are played as scheduled on days 7 and 8 or prior.

Provisional competition formats will be shared after players fees are collected when schedules will be tailored to the division sizes for each event. Day 1 and Day 8 will be short days with limited play for some teams only.

On-site registration will take place in the lead up to the Tournament after teams arrive in Wrocław. You will be informed of your booking time and location for team registration at a later date.

Coaches & Captains' Meeting & the Spirit Captains' Meetings will take place on Saturday 6th August, around midday. Attendance by at least one (1) representative for EACH TEAM is required to attend each meeting. For capacity reasons a limit will be two (2) people per team per meeting. These meetings are likely to happen outdoors combined for EYUC and WJUC together (since some NF's are sharing staff/coaches across both events). Competitive rules and regulations for both events will differ and will be clearly outlined in the players briefing book and again in the meetings.

The Parade of Nations and Opening Ceremony will take place in the early afternoon of Saturday 6th August and all teams from both EYUC and WJUC are requested to participate in uniform. Please plan your travel accordingly.

The Opening Game and first round of games (only if the schedule requires) will take place in the late afternoon on Saturday 6th August (Day 1). It is anticipated that teams will play up to 2 games per day on days 2-6 with placement, semis and finals games as well as games needed to round out the schedule played on days 7 and 8. There is a possibility that teams/divisions will be granted a rest day within the schedule. Note that if bad weather creates a need for schedule changes, we can not promise a set amount of games for teams.

Medal Ceremonies will take place immediately after each final. The Closing Ceremony will take place at the end of the last final of the JJUC Tournament.

CLIMATE

The climate of Wrocław in August can be described as pleasant with warm 25 degree daytime temperatures, cooling off at nights. In late summer rain is expected on every third day but wind is described as a gentle breeze. Games are forecast to be played outdoors and teams should prepare to play in any weather condition.

ATMOSPHERE

JJUC will be centred around junior athletes and the LOC is focused on delivering an amazing experience and creating a fun atmosphere throughout the week to celebrate the youth of Ultimate. Coaches, staff and organisers (old folks) are asked to dust off their fun hats to enjoy a trip down memory lane by embracing how fun it is to be young again!

Wrocław is key to creating this great youth atmosphere, with all essential facilities and playing fields located within walking distance to the housing. Entertainment and activities throughout the day and evenings will ensure players love every minute of this event – even when not on the field!

Social events such as trading night and the party will incorporate everyone together and we are looking forward to that special energetic vibe that only comes from our youth!

ALCOHOL FREE EVENT

The WFDF and EUF adhere to a strict non-alcohol policy at Youth and Junior events. It is strictly prohibited to bring any alcoholic beverages to the venues or consume those in the venues. This includes in particular the playing venue and the official off site dormitories, hotels, social events and transport hubs. EUF, WFDF and the LOC reserve the right to remove from the venues any person breaching this rule.

JJUC's zero tolerance to alcohol is applicable to all participants regardless of age. Coaches, Staff and players over the legal drinking age must also adhere to the non-alcohol policy. All JJUC venues are smoke free.

AIRPORTS

There are daily direct flights to Wrocław Poland from a wide range of cities in the UK, US, Europe and Asia. Copernicus Airport Wrocław (WRO) is located 10 km (6.2 mi) southwest of the city centre and is the recommended international airport for JJUC participants to use.

Airport shuttles from airport to accommodation return will be provided for those who are staying at the official accommodation options and pre-book. Costs will be advised during registration after it is indicated how many teams are wanting this service. Teams should make enquiries about flights, however **no flights should be booked until after registration is closed** and after EUF and WFDF confirms each team on the bid list. This will happen after the 25th February 2022.

TRANSPORT

Registered JJUC players and guests are provided with free public transport passes for tram and buses in the Wrocław area as part of event registration valid from 6th to 13th August. Official event accommodation locations are such that walking and or use of public transport to the fields is possible. **There are no event shuttles between accommodation and the fields.**

LOC will be providing **airport shuttle services for teams that pre-book**. Costs are unknown at this time and are dependent on the number of people wanting to use the service. Pick up and drop off points will be the official accommodation venues. Any teams that arrange and book your own hotels outside of the official accommodation will need to arrange your own airport shuttles.

Social events will be planned on or around the playing venue within walking distance of the fields.

Trams are the main public transportation system in Wrocław. They are clean, reliable and air conditioned. Lines #9, 17 and 33 operate around the event venue and typically operate from each stop every 5 minutes or so.

Teams within Europe may choose to arrange your own transport and drive to Wrocław. It is not recommended or intended that teams drive their private team buses each day to the fields. For the sake of our environment please use your free city transport pass.

For planning your trips see <https://jakdojade.pl/wroclaw/trasa/> and or download the Jakdojade app on your mobile phone.

FOOD

A JJUC on site meal package is planned but details and costs are still being worked through. Accommodation listed excludes food unless specified. Meal Package will be served at [ul. Adama Mickiewicza 98, 51-684 Wrocław](#) by provisional provider [Kardamon](#), a 5 minute 700m walk from the main playing venue. The LOC plans to provide a meal plan which includes breakfast, lunch and dinner either as a FULL OPTION (3 meals) or IN PART (one or more of the meals) subject to pre-booking agreement. Details will be provided in a future bulletin

In addition the LOC are seeking to provide a selection of food trucks onsite for cash sales. Again details to follow.

ACCOMMODATION & BOOKINGS

Three (3) different types and pricing ranges for accommodation are offered during JJUC.

- A. Shared Dormitory Accommodation (basic facilities */** star equivalent)
 - a. University Campus (Option 1. Spartakus)
 - b. Medical Academy Dorms (Option 2. Jubilatka)
 - c. Medical Academy Dorms (Option 3. Blizniak)
- B. Hotels & Hostel
 - a. GEM Hotel (Option 4. ***3 star)
 - b. GREEN Hostel (Option 5.)
 - c. Active Hotel (Option 7)
- C. Camping
 - a. AZF AWF Camping 117 (Option 6)

The **university campus** student dormitories are very basic rooms in general for two/three people in separate single beds. This option is for all teams that are wanting to stay close with a quick walk to the venue. Bathrooms are shared (same sex) at the end of each hallway with meals provided in the large dining/sports hall just down the road (note that price does not include meals). It is expected that athletes/staff will be able to **walk** from their accommodation to the venue with ease. These rooms are reserved first for teams flying to JJUC **without their own transport and for younger teams**.

The **medical academy dorms** are 5km away and will require people to get their own way to the fields using city trams (free access for JJUC) or on foot. Trams will pick up near the academy and drop off near the playing fields. This accommodation will be reserved first for teams **arranging their own transport or for teams who are confident in using public transport**. If Uni Campus dorms are fully booked, teams will then be directed to book this option.

Hotels and Hostels offer more facilities, larger rooms and a higher standard. The increased price reflects this. Availability for these are limited and will be allocated on a first come first served basis.

Camping is an option to “Bring your own everything” for those teams with a small budget. We strongly encourage all teams to consider dormitories instead of camping as this can be a far better option in case of strong wind or bad weather.

Accommodation will be offered and booked through a booking agency who has past experience with working on Ultimate events for the LOC. Agency representatives will also be available during check-in and 24/7 during the event for any help in case of any issue with a staff member situated at each dormitory.

Payments for accommodation will be split into 3 or 4 installments prior to your arrival and will be made directly to the booking agency. No income will form part of the event budget or income and cancellation terms and booking agreements are direct between the teams and the Agency. The first installment (deposit) must be made prior to the end of April. Accommodation cancellation terms and payment installment schedules will be presented once teams have filled out the online survey (obligation-free) with your preferred type of accommodation and number of beds needed.

Teams should make enquiries for accommodation by filling out the [accommodation pre-booking online survey](#). You will be asked to rank your preferences of type of accommodation and to provide approximate numbers of people needing a bed and the types of rooms you want (single, twin, triple) as well as providing contact details.

Survey data will then be passed onto the agency who will make contact with a specific quote for your country. **No bookings or commitments are firm until the first installment is paid, so there is no obligation if you fill out the pre-booking survey then change your mind later.** Information shared ahead of time will continue to assist us in planning so please let us know as soon as you know.

The following information provides an outline of the accommodation that will be available. More information will be posted on the event website and sent to registered teams and National Federations by bulletins and or e-mails as details firm up.

Teams should make enquiries about hotels and accommodation, however **no firm bookings should be made until after the team registration is closed and after EUF and WFDF confirms each team on the bid list and the Covid Working Group has given a green light for the event to proceed.** This will happen around 25th FEB 2022. For general enquiries with regards to accommodation email: accommodation@jjuc.sport.

HEALTH & MEDICAL

All event participants (athletes, coaches and team support) are recommended to obtain travel insurance prior to booking flights and health insurance before leaving your home country.

The Polish healthcare system is based on individuals carrying personal insurance. EUF, WFDF and the LOC do not provide coverage for participants outside of the general first aid administered at the fields. There are always risks associated with playing Ultimate. Although JJUC will have medical staff on site to deal with first aid and assess critical injuries, there may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

WFDF, EUF and the LOC kindly request that all players and event participants acknowledge these risks and understand that EUF, WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at JJUC. **All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event cancellations that could arise.** Participants will be required to sign an Event Participant Agreement published in advance of the event.

For more information on accessing medical services in Poland see link below:

<https://poland.pl/tourism/practical-information/access-medical-care-poland/>

VISAS

Once the event bid list is published and your team is registered, we encourage each team to make specific and timely enquiries about obtaining a visa to enter Poland. Teams are responsible for obtaining the correct paperwork to visit Europe to compete at the Joint Junior Ultimate Championships in Wrocław.

The LOC cannot provide specific advice on the process, however we do strongly recommend that you get started as soon as possible. WFDF can provide your team manager/administrator with a letter confirming your team's registration at the event. Please make specific requests for such letter by emailing info@JJUC.sport

Specific player letters for visa appointments can only be done after players have registered and paid their fees) we require confirmation from the National Federation that they endorse the player on the roster. The following details for all the members of your team are required:

- Full name (as shown on passport);
- Passport number;
- Date of birth;
- Role on team (i.e. player, coach, manager, etc.)

Please send the information to info@JJUC.sport. Make sure you leave us some time to produce this document: do not assume that we can send it back the same day. Please note: we cannot and will not provide a formal "invitation" to attend the event and non-ability to enter Poland is not grounds to request a refund for a team and/or player fees.

We recommend EVERY TEAM makes specific enquiries to fully understand visa and travel requirements.

CANCELLATION POLICY

WFDF Covid-19 Working Group (C19WG) will continue to monitor the impact and effects of the COVID-19 Pandemic and will work with the LOC to follow the advice and recommendations from International health and safety authorities for travel to and from Poland. C19WG will meet monthly to determine if any new information presents itself that would warrant an event cancellation and will report back monthly to registered teams. Countries should continue to make their own assessment, and should remain in contact with the organisers with up to date information as much as possible.

COVID-19 PANDEMIC

EU and WFDF in consultation with the LOC will continue to review health and safety recommendations of international authorities such as the World Health Organisation (WHO), and take into consideration the rules and regulations of the relevant government authorities to find suitable measures to create a safe and secure environment for athletes and other accredited groups. With consideration to additional elements and resources required to stage an international event in these times.

As you are all aware, the pandemic continues to evolve and is still making planning for travel and hosting events somewhat unpredictable. At this time the Covid Working Group in consultation with the LOC have reviewed the impacts of Covid-19 and **continue to plan and prepare to host the event in August in Poland**. No new information (even with the variants) indicates any risk to proceeding at this time. EU and WFDF will continue to monitor the situation and will make decisions as necessary with full efforts to safeguard and protect the financial risk to teams as much as possible while evaluating risks for participants. Keeping everyone safe is our priority.

Information & recommendations at this time are only provisional (current 25 Jan, 2022) - we are still waiting for the pandemic to settle (new variants mean new mandates from governmental agencies and recommendations from health agencies where our events are hosted). Following is a list of **provisional** requirements & recommendations for participants at JJUC 2022 based on border entry obligations to enter Poland - teams will need to show proof for all members at on-site registration in Poland at JJUC:

2. Proof of recovery from a SARS-CoV-2 infection at most 6 months before the day on which you enter Poland. You are obliged to present a document confirming recovery from the disease, issued in Polish or English.
3. Proof of negative status through PCR test no older than 48 hours prior to your border crossing to Poland.

Documents with proof will also be required to be presented at the on-site JJUC registration which will also apply to citizens of Poland who did not pass through border security checkpoints.

For travellers from outside the European Union, Schengen Area and Turkey

1. ALL TRAVELLERS (above 5 years old) are required to present Proof of negative status through RT-PCR or antigen test no older than 24 hours prior to your border crossing to Poland. **The obligation to undergo testing also applies to vaccinated persons.**
2. JJUC will then also require Proof of full vaccination (full vaccination is at least 2 weeks after the 2nd dose in a 2-dose series or after the 1st dose in a one dose vaccine (such as Johnson and Johnson).

This requirement is for any event participant **OVER THE AGE OF 12**. Proof of vaccination needs to be in English or Polish and presented at team registration.

3. **OR** Proof of recovery from a SARS-CoV-2 infection at most 6 months before the day of the tournament start. You are obliged to present a document confirming recovery from the disease, issued in Polish or English.

Social distancing, masks etc remain on debate pending social responsibility we have to the local community where the event is held. Other restrictions on public gatherings such as parties, ceremonies etc, etc are still pending.

A full covid hygiene concept for the event will be announced formally to all teams closer to the event.

REGISTRATION

Registration for both EYUC and WJUC events will run through a single registration process. Country Coordinators and team administrators are encouraged to fill out the JJUC pre-registration form once for all the teams you are responsible for. If you have multiple people responsible for your teams, they should themselves fill out the form for the teams they are looking after.

Example - If you are sending 4 teams to JJUC and have two separate people looking after the teams then please get both the administrators to fill out the form (2 entries). That way, we will be able to coordinate for bookings, send invoices etc with each separate person responsible for their team/s.

**Note: To pre-register your team, please follow the steps carefully outlined below:
Complete the [online pre-registration form](#) and submit PRIOR to Sunday 13th of February 2022.**

PRE-REGISTRATION (click [here](#))

All countries are kindly requested to fill out the pre-registration form to express an interest to participate at WJUC 2022 and EYUC 2022. A bid allocation list will be compiled by the WFDF and EUF Events Team using the data collected from pre-registration. WFDF and EUF will then make firm bid offers to each Member National Federation (NF) for each division on Monday 14th of February 2022.

Each NF will then have the opportunity to accept the bids offered by making the team fee payment prior to Friday 25th of February, 2022. All countries are assured a bid to compete at the tournament, but not all teams pre-registered will be assured a bid in all divisions.

A full bid list with Countries Participating will be published via press release and the event website after the team fees are collected by the due date of Friday 25th of February 2022.

Please note - adding extra bids, or changing from one division to another after the pre-registration closes is not possible - all NF's are asked to carefully consider their choices when filling out the pre-registration divisions you wish to send a team.

We recognise that some countries may require more time to determine what teams and divisions you can field a team. We acknowledge that some countries may be uncertain they can raise the money to meet the due date deadlines. We kindly ask that all NF's fill out the online form for bids to the best of your knowledge and use the questions/comments section at the end to update us with challenges or problems you are needing to overcome. Open communication will go a long way to working together to get as many countries as possible to JJUC 2022.
