WJUC 2020 will be a eight (8) day tournament running from Saturday July 18 to Saturday July 25, 2018 inclusive. The Captains & Spirit Captains meetings will take place on Saturday, July 18, followed by the Opening Ceremony and the Opening Game at the beautiful Malmö Stadium right in the middle of Malmö. Some teams might play rounds in the afternoon on Day 1. All teams should plan their travel accordingly.

Attendance at the Captain's and Spirit Captains' meetings by at least one (1) representative for each team is required. A limit of two (2) representatives per team will be enforced due to space restrictions. Times for the Opening Ceremony and Opening Game will be advised at a later time; However, we do expect each team (in uniform) to participate in the Parade of Nations during the Opening Ceremony on Day 1 and all teams should be prepared to play that day.

The Finals will be played on Saturday, July 25 at the Malmö Stadium, with the Medal and Closing Ceremonies and the Players Party taking place immediately after the finals.

Should weather cause delays to play, the schedule will be adjusted accordingly to ensure the finals are played as scheduled on day 8 or prior – in severe weather the schedule or format might be adjusted with reduced games.

Teams and Divisions

All WFDF member National Federations (NF) in good standing are invited to participate at WJUC 2020 in Malmö in the following 2 divisions: Under 20 Men's (U20M) and Under 20 Women's (U20W). Please see the registration section of this bulletin for instructions on how to pre-register your teams.

Location

Malmö – the Capital of the region Skåne is the third-largest city in Sweden, with a population of 340,000 inhabitants. The Malmö Metropolitan Region is home to over 700,000 people, and the Øresund Region, which includes Copenhagen, is home to 4 million people.

The city has transformed from a industrialized town to a modern tech and bio centre with the Malmö University as the hub attracting students from all over the world. It is constantly growing and has one of the youngest populations in Sweden.

Rich on entertainment, culture and sport and close proximity to the Danish Capital Copenhagen – some 20 mins away with train makes Malmö and it's residents diverse in ethnical background, sexual orientation, religious beliefs and political preferences.

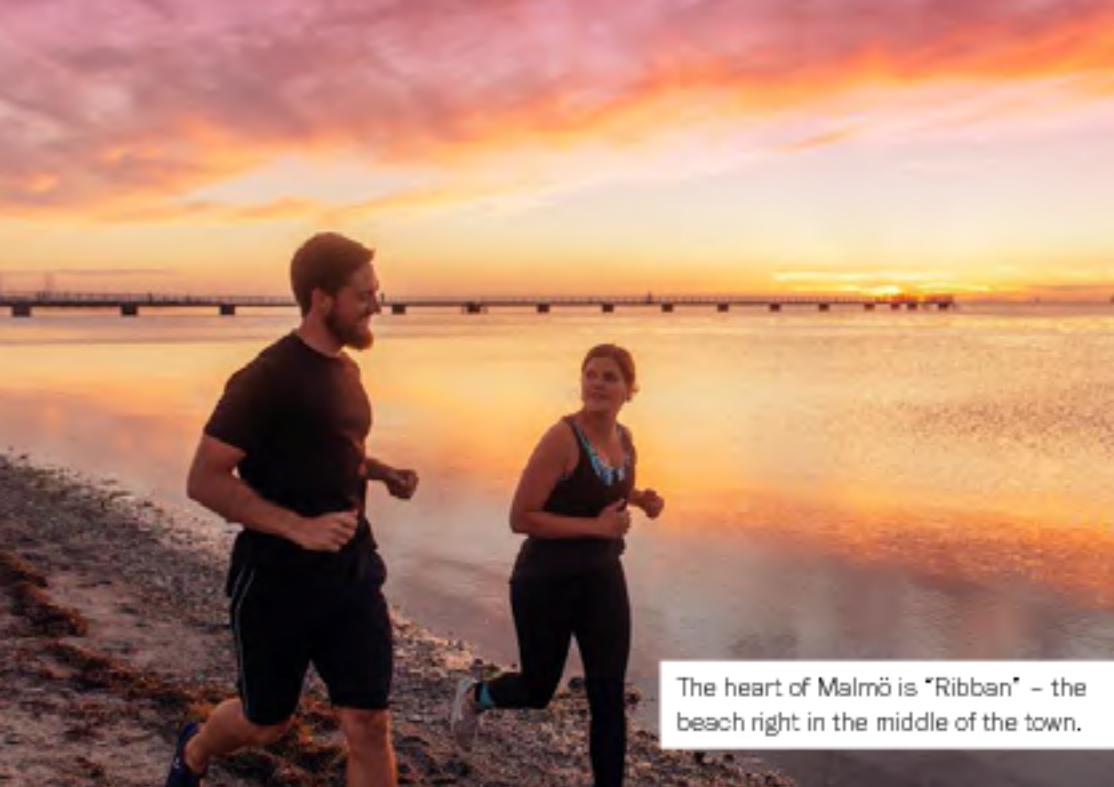

Malmö is situated directly on the coast of Øresund where both old and young Malmö-ites enjoy the benefits of vibrant city life and tranquility of the open horizon, warm sea and sandy beaches during the never ending nordic summer days.

Climate

Malmö, like the rest of southern Sweden, has an oceanic climate. Climate is mild compared to other locations at similar latitudes.

Malmö typically has warm, humid summers with light winds and around 13 hours of sunshine daily. The average daily high temperature for July is 23 °C (73 °F) with an overnight low of 14 °C (57 °F). Heat waves during the summer arise occasionally. Average rainfall in July is 71.1 mm (2.80 inches).

At occasions wind can be strong in Malmö in July. This is due to Malmö's location by the sea. Hard winds hit Malmö usually in spring and fall, but is not uncommon also in summertime. Prepare for the possibility to play Ultimate in all conditions.

The heart of Malmö is "Ribban" – the beach right in the middle of the town.

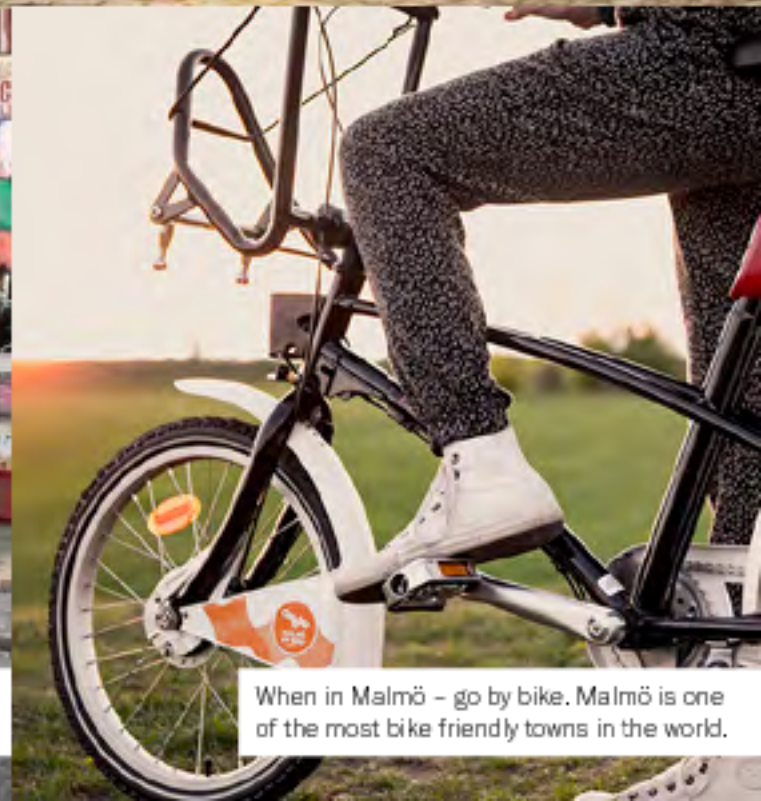

Lilla Torget (Small Square) in the historic parts of Malmö

Öresund is the strait that separates Sweden from Denmark. Here with the landmark Turning Torso.

Malmö is a young, vibrant and multi cultural town

When in Malmö – go by bike. Malmö is one of the most bike friendly towns in the world.

Transportation: GETTING TO WJUC MALMÖ

By air to Malmö/Copenhagen:

- Closest international airport with a huge range of connections is Copenhagen Airport in Denmark, 30 km from Malmö.
- We recommend that you use Copenhagen Airport in Denmark as your choice of airport with a large variety of connecting flights, and transit to Malmö being very easy and the least expensive alternative.
- Local Malmö Airport Sturup has a smaller number of connections, mainly from eastern Europe. Transit bus from Malmö Airport to Malmö are rare and take about 45 mins.

Transit from Copenhagen Airport to Malmö

- Trains leave Copenhagen Airport destination Malmö 3-6 times per hour, 24/7. Malmö is 20-30 min by train from Copenhagen Airport. Train tickets are bought in ticket machines at the airport (approximately SEK 120 per person (one way) or €11/\$12 pp). The WJUC Hotels are the first and second stop after Copenhagen Airport destination Malmö/Sweden.
- WJUC will provide transit busses with from Copenhagen Airport for a fixed rate. The busses will pick you up at the airport and take you directly to your accommodation. This option need to be booked by June 18 2020. This option is very good for teams travelling together with more than 20 people arriving at the same time.

Trains:

- Trains to Malmö Central Station are easily accessible from most parts of northern Europe, either directly or via Copenhagen Central Station in Denmark.

Ferry:

- Arriving by ferry from Germany, Poland and some Baltic States is possible direct to Malmö or to the ports of Karlskrona or Ystad. Either you bring your car on the ferry or take the train from the ports destination Malmö. Trains leave regularly to Malmö and is 1-2 hrs away from the ports.

Transportation: IN MALMÖ DURING WJUC 2020

Main transportation: WJUC Shuttle Busses:

- Shuttle Busses will transport teams from the two official WJUC-hotels (Hotel A & Hotel B) to all fields on a fixed scheduled loop
- Shuttle Busses can reach all fields in approx 20 mins. A full loop is 45 mins return.
- Shuttle Busses will start running 2 hours before games commence and run until 2 hours after the last game ends or when the venue is clear.
- Shuttle Busses are free to use for accredited WJUC participants staying at official hotels only (players, coaches, other non playing team support).
- Please note that only hotel A and B are on the Shuttle Bus loop and will be given access to the WJUC buses – if teams choose to stay in other locations, they will also have to make their own transport arrangements to move between fields.

Public transport

- At present public transportation is not included in the player pack. We are still working on a deal with the local transportation authorities. However, all fields, venues and accommodation are easily accessible by public transportation. See www.skanetrafiken.se for information on tickets and pricing.

Bike rental

- Malmö is one of the premiere biking towns in the world. WJUC have reserved bikes to rent for all players and coaches for the whole week. Going by bike is a great option. Taking the bike from the two most distant venues is around 30 mins using mostly dedicated bike paths. Bikes must be booked no later than March 31 2020.

Transportation: TRAVEL VISA

You are responsible for obtaining the correct paperwork to visit Sweden to compete at WJUC 2020. Please note that we cannot provide specific advice on the process, but we do strongly recommend that you get started as soon as possible. The TOC can provide your team administrator with a letter confirming your team's registration for the event.

Please note: we cannot and will not provide a formal "invitation" to attend the event and non-ability to enter Sweden is not grounds for a request of a refund for a team and/or player fees. Please be aware that some nations do not require a visa, however must travel with certain paperwork to show officers at the Swedish border - we recommend EVERY TEAM makes specific enquiries.

Please visit the [following webpage](#) and select your country of citizenship to see the requirements for visiting Sweden.

ACCOMMODATION

The TOC have chosen two primary hotels for the main WJUC 2020 accommodation:

HOTEL A

Good Morning Hotel**, situated at the Main Venue

HOTEL B

Malmö Arena Hotel***, situated between Main and South Venue

Good Morning and Malmö Arena are both on the shuttle bus loop. A minimum 4 and possible 8 fields are walking distance. All fields and venues are accessible by bike.

Two secondary hotels are targeted to non-players/tourists:

HOTEL C

Comfort Hotel Malmö*** is close to the Central Station, not on the Shuttle Bus Loop, but with public transportation to all fields and venues.

HOTEL D:

Clarion Hotel Malmö Live**** is close to the Central Station, not on the Shuttle Bus Loop, but with public transportation to all fields and venues

These four hotels have a total capacity of 1700+ guests, and are currently fully reserved for the players, coaches, other staff members and tourists coming to Malmö.

Since the hotels (A & B) will be fully occupied with WJUC 2020 participants or team support, the staff and amenities are fully dedicated to our expectations and needs. This will also create an "Ultimate" atmosphere at our hotels. Social areas for the players to meet, mingle and socialize will be made available at Hotel A and B.

The expected occupancy and length of stay has also made it possible to acquire a special discount rate under the standard rate given in the tourist season.

The hotels vary in standard and price range.

CAMPING at the fields is not allowed by Swedish law. Malmö has one camping site, being approx 8 km off the shuttle bus loop. Neither breakfast nor shuttle bus is provided in the camping alternative.

BOOKING of hotel A, B, C, D and camping is centralized and to be made through WJUC TOC. Please note: All accommodation bookings are open from Tuesday 1st October, 2019 – a link to the booking form will be emailed to all teams who have paid the team fee.

All hotel bookings are non-refundable and payments made are the responsibility of each team. All teams are reminded to meet all invoice payment deadlines to secure their chosen hotel bookings.

REGISTRATION

To pre-register your team for each division, please click on the link below before Friday 13th September, 2019;

<https://forms.gle/r9odk1E5P6JyuNDU6>

Any WFDF member National Federation (in good standing) is welcome to fill out the pre-registration form to express an interest to participate at WJUC 2020. Non-member countries are also invited to use their "one time exemption" to compete.

A bid allocation list and final team fee invoices (outlining the firm fees) will be compiled by the WFDF Ultimate Committee around the 21st September 2019.

Please note – adding extra bids, or changing divisions after the pre-registration closes is not possible. All NF's are asked to carefully consider their choices when filling out the form.

You are kindly asked to supply information and make payments as soon as possible – please do not wait until you are close to the deadline as this simply creates a bottleneck of work for WFDF and the TOC. We are not able to extend the deadlines or make exceptions to the fees published – please do not ask.
