ABOUT THE
WFDF 2020 WORLD ULTIMATE & GUTS CHAMPIONSHIPS
Leeuwarden is the proud host of the WFDF 2020 World Ultimate & Guts Championships (WUGC). The Tournament Organising Committee, led by professional event organizer Team TOC, together with the World Flying Disc Federation (WFDF), the Nederlandse Frisbee Bond (Dutch Frisbee Association), the province of Friesland and the municipality of Leeuwarden are looking forward to welcoming you in Leeuwarden and to give you the best frisbee experience ever.

Leeuwarden is the capital of Friesland, a Dutch province with its own Frisian language and culture. The city is still one of the best kept secrets of the Netherlands, with a tower that leans over more than the one in Pisa and great down-to-earth people who are always in for a friendly chat and a beer. Leeuwarden is also an ideal starting point for an unforgettable trip through Friesland, famous for its national parks and the Wadden Sea, a UNESCO World Heritage Site. All within a short distance of Amsterdam. You will agree this is the perfect venue for WUGC players and non-playing team support.

When bidding for this event, our goal was to bring the flying disc sports of Ultimate & Guts literally into Leeuwarden city. Team TOC chose to organize these championships in the heart of the city, so the people of Leeuwarden are able to enjoy the good vibes such a large international event brings along. Athletes, in turn, will get the chance to enjoy the city and its region not on the field. Your games will be played at multiple different venues around the city.

Now is the time for WFDF member National Federations to submit the Expressions of Interest (EOI) to participate! Please pay particular attention to important tasks and deadlines highlighted in red. Following are the details you need to pre-register your teams and in addition, we have included some basic information to help your NF estimate the basic costs for a team to attend to assist you with deciding how many teams you want to pre-register. All WFDF Members should fill out the EOI even if they are not planning to come. After pre-registration ends and bids are allocated, NF’s will need to confirm bid acceptance and start the teams planning for event accommodation bookings.

Early June the event website and all social media channels will go live and a detailed information bulletin #2 will be issued, which will assist in making decisions about travel and hotels. Please do not hesitate to ask for our help, should you have any questions regarding your stay!

We are more than excited to host you here in Leeuwarden! We are looking forward very much to work together over the next 16 months to successfully plan and run this great Ultimate & Guts event.

See you soon at WUGC 2020 in Leeuwarden!

EVENT

The WFDF 2020 World Ultimate and Guts Championships will take place over eight (8) days from Saturday 11 July until Saturday 18 July 2020.

Day 1 will consist of official Captains’ and Spirit Captains’ meetings, Parade of Nations, Opening Ceremony and an opening game on the showcase arena. All teams must complete registration prior to the start of the event and attend all official meetings. It is expected that all teams take part in the Nations Parade in full uniform. Pending size of event, there is a possibility that all teams may also play a round on Day 1. Detailed times will be outlined closer to the event. Teams should plan their travels accordingly.

Days 2-6 will consist of five (5) daily rounds for Ultimate with an anticipation that first games will start around 09:00 and the final round will start at 17:00. Teams can expect to play up to two (2) games per day during regular round robin play.

The Guts competition days will likely be shorter with a later starts and an earlier finish pending the schedule and number of teams registered to play. WFDF is allowing players to play both Guts and Ultimate, however games and schedules will not take into account nor hold any games for any cross over or conflicts between players schedules.

Day 7 will see the final placement and semi-final games played as well as the Bronze medal match for both Ultimate and Guts followed by the Guts finals. Day 8 will host the finals of the three Ultimate divisions with a medal ceremony to follow the end of each final. The Closing Ceremony will follow the last game. The WUGC athletes party will be hosted on the last evening of the Championships.

TEAMS & DIVISIONS

WUGC is open to all WFDF member National Federations (NF’s) and we encourage all to participate. The event happens every four years and was last held in London in 2016.

The WUGC will host three divisions for Ultimate in Men’s, Women’s and Mixed as well as hosting one Guts Frisbee division.

All WFDF member National Federations in good standing will be entitled to send teams and are requested to fill out the pre-registration for all divisions you want to send a team. Based on the interest received, the WFDF Ultimate Committee will allocate bids accordingly. With 84 WFDF member countries, it is important that every member fills out the EOI (even if you are not coming) so that bids can be allocated accurately based on the Bid allocation rules as published in the appendix E4.

Each NF may pre-register a maximum of one (1) team per division.

The event is open to National teams and all players who meet the player eligibility for each division as detailed in the current WFDF rules of Ultimate appendix D may form the playing roster.

There is a chance that not all NF’s will get all the bids they are interested in sending teams. As a result, you will be asked to rank your preferred divisions from 1 (most interest) to 3 (lowest) when filling out the pre-registration form.
LOCATION

Leeuwarden, Friesland, The Netherlands

When people think of the Netherlands, it is usually tulips, windmills, cheese and clogs that come to mind. To many visitors from abroad these Dutch ‘classics’ are the reason for spending their holidays here. However, this compact and modern country in the heart of Europe also offers an exciting mix of bustling cities brimming with exciting culture, art and architectures as well as a lush, green countryside and endless sandy beaches lining the coast of the North Sea. All connected by a modern transportation infrastructure and within easy reach.

In the Province of Friesland you find Leeuwarden, the host city of these World Championships. The capital of the Province Friesland and the city that was the European Capital of Culture in 2018. Are you curious already? Leeuwarden, hospitable and situated in green surroundings with lakes and recreation areas. A true royal residence with a beautiful and historic city centre, beautiful buildings, sport facilities, shops, nice cafes and the nightlife. At the same time Leeuwarden is a modern city, easy to feel at home, compact and well organized. We encourage WUGC participants to bring family and friends to this great city, to watch and support the on-field activities but also to see the sights and enjoy exploring what Leeuwarden has to offer.

ARRIVALS

The nearest international airport is Schiphol Amsterdam. This is a world renown airport with many flights in and out of Amsterdam daily from most major international airports.

There are 3 ways to get to Leeuwarden. From Amsterdam Airport, the train is easy and convenient with a travel time of approx. 110 minutes direct from the airport to Leeuwarden at a cost of approx. € 27,- per person one way. Teams living close to the Netherlands and or people wanting to use a rental car while at WUGC should make their own bookings and explore costs associated. Teams arriving at the airport and travelling together can also book a bus coach. TOC will make further driving/rental car and bus coach recommendations in Bulletin #2.
VISAS

Once the event bid list is published and your team is registered, we encourage each team to make specific and timely enquiries about obtaining a visa to enter the Netherlands. You are responsible for obtaining the correct paperwork to visit Europe to compete at WUGC 2020. Please note that we cannot provide specific advice on the process, but we do strongly recommend that you get started as soon as possible. The TOC can provide your team administrator with a letter confirming your team’s registration at the event. To do that we generally require confirmation of the following details for all the members of your team: full name (as shown on passport), passport number, date of birth and role on team (i.e. player, coach, manager, etc).

Please make sure you leave us some time to produce this document: do not assume that we can send it back the same day!

Please note: we cannot and will not provide a formal “invitation” to attend the event and non-ability to enter the Netherlands is not grounds for a request of a refund for a team and/or player fees.

We recommend EVERY TEAM makes specific enquiries.

If you require an official letter issued to assist with the visa process please contact: teams@teamtoc.nl

HEALTH & MEDICAL

All event participants (Athletes, Coaches, and Team Support) are recommended to obtain travel & health insurance before leaving your home country.

The Netherlands Health Care system is based on individual’s carrying personal insurance. WFDF and the WUGC TOC (Team TOC), does not provide coverage for participants. There are always risks associated with playing Ultimate. Although WUGC will have medical staff on site to deal with first aid and to assess critical injuries, there may be injuries in which players need medical attention that requires emergency visits to local hospitals. WUGC has requested that all players and event participants acknowledge these risks and understand that WFDF and the TOC cannot be held liable for any risk or cost associated with injury or bad health at WUGC. All event participants should alleviate some personal financial liability by purchasing your own traveller’s insurance to make sure you are covered for any medical issues that arise.

TRANSPORT

For all teams that book their hotel accommodation package through the TOC, transport is included from the accommodation to and from the venue/s on event days.

Please note: there is NO transportation available for those teams who arrange their own accommodation.

As a team you can choose between two different types of transport offered by the LOC:

**BY BIKE**
Travel the Dutch way by bike. Did you know that there are more bicycles in the Netherlands than people? The easiest transport option in the Netherlands is by bicycle. If you choose this option a free bike will be available during the competition days for you. So you can bike between the venues, accommodation and social functions without depending on transport timetables.

**BY BUS**
There will be a free shuttle service available from different points nearby the sleeping accommodations to the venue and back.

Please choose your transportation option on the sleeping accommodation booking form.

Your transportation choice will be marked on your accreditation with a bike or bus sign. One option for each team can be chosen, it's not possible to choose for both transportation options or to switch on site. Bus timetable to be confirmed once the schedule format is set to ensure the adequate transport service.

FOOD

**BREAKFAST**
Breakfast is included in all the sleeping accommodation packages offered by the TOC. Breakfast will be served at the accommodation.

**LUNCH**
For all participants it's possible to reserve a lunch package upfront (2 sandwiches, fruit, water, candy bar, yoghurt and soda) approx. 10 EUR per person per day.
Lunch package will be served at the sport fields. Lunch package can only booked by the whole team during the whole period (first official training days and competition days).

**DINNER**
Discover the many restaurants in Leeuwarden. Choose the type of food you want to eat at that moment. Enjoy your dinner in the middle of the city centre, beside the water, in the hotel or in the middle of the local park. If you like to go for a long dinner night or a fast snack, you can find it all in Leeuwarden.

**JUST GOING OUT FOR A DRINK?**
Leeuwarden has the best coffee in town and a lot of terrace where you can enjoy your drink in the sunshine.

For those who wish to take care of their own food it is good to know that there is a large supermarket located within walking distance from the venues and that each venue has a canteen that serves snacks and drinks.
