A warm Irish welcome to Limerick, the land of “Cead Mile Failte” or “A Hundred Thousand Welcomes.”

The World Flying Disc Federation (WFDF) 2022 World Masters Ultimate Club Championships (WMUCC) is taking place at the University of Limerick (UL), Ireland. WMUCC will be held from Saturday 25th June to Saturday 2nd July inclusive over eight (8) days, the world’s best Masters club teams from all over the world will compete for the world titles in Limerick.

We’ve also included some extra details on transport and accommodation to help you with your decision planning, however all teams are reminded strongly that NO BOOKINGS for flights, visas, hotels should be made until we open the REGISTRATION (collect fees) for the event once we are sure it is viable and safe to host the event due to the pandemic.

The Finals day/s will be Friday 1st and Saturday 2nd July, with the Medal Ceremonies taking place immediately after each final. The Closing Ceremony will take place at the end of the last final of the Championship.

Should weather cause delays to play, the schedule will be adjusted accordingly to ensure the finals are played as scheduled on Day 8 or prior.

LOCAL ORGANISING COMMITTEE

The event will be headed up by Barry Walsh and Liam Grant, with a local tournament organising committee of dedicated key staff consisting of Fiona Vaughan, Brian O’Sullivan, Christopher McAllister, Aoife McKeon and Nuala O’Donovan. This group has been the driving force behind the organisation and delivery of major Ultimate tournaments in Limerick over the past nine years and they are committed to delivering a world class WMUCC.

The Siege of Limerick, Ireland’s largest Ultimate tournament attracting teams from all over Europe and as far as North America, and a host of both outdoor and indoor All Ireland National Championship tournaments are run through the same organising team. The Siege of Limerick annually hosts 32 teams and approximately 600 players/volunteers, and the LOC are confident in scaling up our operations to a World Championships sized event with experience and ambition.

CLIMATE

The climate of Ireland can be described as a maritime influenced, mild and humid climate. May to mid-September is by far the warmest and generally the dryer time of year, relatively speaking. In summer, temperatures generally fall in a range of 15°C to 20°C, but sometimes they can reach up to 25°C or even higher.

ATMOSPHERE

This tournament will be centred around players and the LOC is focused on delivering an amazing experience and creating a fun atmosphere throughout the week. The University campus in Limerick (UL) is key to creating this atmosphere, with all essential facilities and playing venues located within walking distance to the housing. Entertainment and activities throughout the day and evenings will ensure players love every minute of this event – even when not on the field!

TRANSPORT

UL is Ireland’s premier university campus, having an array of student village accommodations, restaurants, shops and world class sporting facilities. As a result, it is expected that athletes/staff will be able to walk from their accommodation to the various points within the venue with ease.

Getting to and from Ireland has never been easier or more affordable. There are daily direct flights to Ireland from a wide range of cities in the UK, US, Europe and the UAE. Thanks to two major low cost Irish airlines – Ryanair and Aer Lingus – as well as dozens of other international carriers, our international airports in Dublin and Shannon are able to welcome more and more visitors from all over the world into Ireland every single day.

Shannon Airport allows visitors to arrive straight into the heart of the Wild Atlantic Way, only 30 minutes from Limerick City. It is the primary international airport facilitating flights in and out of the West Coast of Ireland. It has daily summer flights to cities such as New York, Boston, Philadelphia, Paris, Barcelona, Frankfurt, Vienna, Faro, London Heathrow, Edinburgh, Manchester and many more. A private shuttle can be arranged to bring you to the University of Limerick campus. The journey should take about 30 minutes and cost approximately €10 per person when booking for a group. Public transport and taxi services are also available, along with car rental.

From Dublin Airport, players and staff will have a number of options in getting to Limerick. The most common method of travel will be via bus, of which there are many services running on the hour daily from Dublin Airport directly to the University of Limerick campus. This journey costs €15-20 one way per person. You can also rent cars at Dublin Airport and the journey to Limerick is a 2-2.5 hour drive.

Teams should make enquiries about flights, however no flights should be booked until after the team registration is closed and after WFDF confirms each team on the bid list. This will happen around 15th October 2021.
ACCOMMODATION + BOOKINGS

All player and staff accommodation will be on the University campus.

The University of Limerick is situated on a superb riverside campus of over 130 hectares, with the River Shannon as a unifying focal point. The attractive on-campus accommodation is in the style of residential villages of individual apartments or houses.

The event venue can accommodate up to 2700 guests in high quality apartments with both ensuite and non-ensuite rooms available. These modern complexes offer spacious accommodation with shared living/kitchen areas, enabling teams to have the option to cater for themselves. All residential villages are located on the beautiful parkland of the University campus.

CAPPAVILLA VILLAGE

Accommodation information will be distributed via email to each National Federation in October 2021. All information regarding accommodation types, costs and booking will also be displayed on the tournament website.

Details on exactly how to book will be shared closer to the time. Deadlines for final numbers and payments as well as the cancellation terms for accommodation are currently provisional and will be confirmed at a later date.

Information on additional off-site hotel accommodation for family and spectators can be found on our website.

Teams that book outside the official event accommodations, will be responsible for getting to and from the venue daily at your own cost. Parking will be available onsite at no charge. Transport to and from the official after party
will be provided from the UL campus. No added pickups will be arranged.

Teams should make enquiries about hotels and accommodation, however no bookings should be made until after the team registration is closed and after WFDF confirms each team on the bid list. This will happen around 15th October 2021.

**Food**

On-site catering will be available through several high quality restaurants on the University campus. There will be options to opt-in for pre-paid weekly meal deals for breakfast, lunch and dinner or there will be options to buy what you need at the venue to get you through the day. These options will be provided via the next bulletin after registration closes. There are also several large supermarkets located within walking distance of the campus.

**Health + Medical**

All event participants (athletes, coaches and team support) are recommended to obtain travel insurance prior to booking flights and health insurance before leaving your home country.

The Irish healthcare system is based on individuals carrying personal insurance. WFDF and the WMUCC LOC does not provide coverage for participants outside of the general first aid administered at the fields. There are always risks associated with playing Ultimate. Although WMUCC will have medical staff on site to deal with first aid and assess critical injuries, there may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at WMUCC. All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event cancellations that could arise.
VISAS

Once the event bid list is published and your team is registered, we encourage each team to make specific and timely enquiries about obtaining a visa to enter Ireland. Teams are responsible for obtaining the correct paperwork to visit Europe to compete at the WFDF 2022 World Masters Ultimate Club Championships in Limerick.

The LOC cannot provide specific advice on the process, however we do strongly recommend that you get started as soon as possible. The LOC can provide your team manager/administrator with a letter confirming your team’s registration at the event.

To do that (after teams have registered and paid their fees) we require confirmation of the following details for all the members of your team:
- Full name (as shown on passport);
- Passport number;
- Date of birth;
- Role on team (i.e. player, coach, manager, etc.)

Please send the information to info@wmucc.sport. Make sure you leave us some time to produce this document: do not assume that we can send it back the same day. Please note: we cannot and will not provide a formal “invitation” to attend the event and non-ability to enter Ireland is not grounds to request a refund for a team and/or player fees.

We recommend EVERY TEAM makes specific enquiries to fully understand visa and travel requirements.
TEAMS + DIVISIONS

Club Teams from all WFDF National Federation (NF) members are invited to participate at WMUCC in Limerick. WFDF member NF’s in good standing will be entitled to participate and are requested to fill out the pre-registration for all divisions you want to send a team. Based on the interest received, the WFDF Ultimate Committee will allocate bids accordingly. With 100+ WFDF member countries, it is important that every member fills out the Expression Of Interest (even if you are not coming) so that bids can be allocated accurately based on the Bid allocation rules and demand from the NF’s.

WMUCC will operate divisions following the team eligibility rules for Club team rosters (Section D) with a minimum of six teams per division:
