# HEALTH & MEDICAL

All event participants (athletes, coaches and team support) are recommended to obtain travel insurance prior to booking flights and health insurance before leaving your home country.

The healthcare system in the Dominican Republic is based on individuals carrying personal insurance. WFDF and the WJUC LOC does not provide coverage for participants outside of the general first aid administered at the fields. There are always risks associated with playing Ultimate. Although WJUC will have medical staff on site to deal with first aid and assess critical injuries, there may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at WJUC. All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event cancellations that could arise.
