ALL AFRICA ULTIMATE CHAMPIONSHIPS

KISUMU KENYA

Karibu Kisumu,

Kisumu Frisbee Club is excited to host the upcoming 2023 All Africa Ultimate Championships (AAUCC '23) to be held in Kisumu, Kenya this year. The event will bring together mixed division Ultimate teams from across Africa to compete and create memorable experiences.

We look forward to working together over the next 8 months to collect information and payments needed to successfully run the event.

We aim to simplify all processes, and request teams to adhere to deadlines, failure to which teams could risk losing their bid offer. We also advise teams to pay close attention to all communication going out from WFDF and the LOC through their official channels.

Find in this document information you need to start registering your teams, and to help you with planning your travel. More details will be available on the event website at www.aauc2023.org.

Urgent questions can be directed to our helpdesk at info@aauc2023.org.

There are action points throughout this bulletin highlighted in red, pay particular attention to these.

See you all in Kisumu, Kenya at AAUC '23.

Location & Venue

AAUC 2023 will be held in Kisumu, Kisumu County, Kenya. Kisumu is home to Kisumu Frisbee Club (Black Fish Ultimate) one of the oldest Frisbee clubs in Kenya. The city is the third largest city in Kenya, and is accessible by flight through Kisumu International Airport, by road or through Lake Victoria by water.

Opening games and final games will be held at the Jomo Kenyatta Stadium (WQJM+QFQ, Kisumu , Mamboleo Show ground, Kisumu). Other games will be held either in Kisumu Polytechnic (VQWF+P3 Kisumu) or Jaramogi Odinga Odinga Sports Ground (VQW3+RQR, Achieng' On-eko Rd, Kisumu).

Kisumu is a port city on Lake Victoria. It is a vibrant city with a diverse population and a thriving economy. The city is known for its lively markets, cultural events, and beautiful scenery, including stunning views of Lake Victoria. It is also a gateway to many of Kenya's top tourist destinations, including the Maasai Mara National Reserve and the Rift Valley.

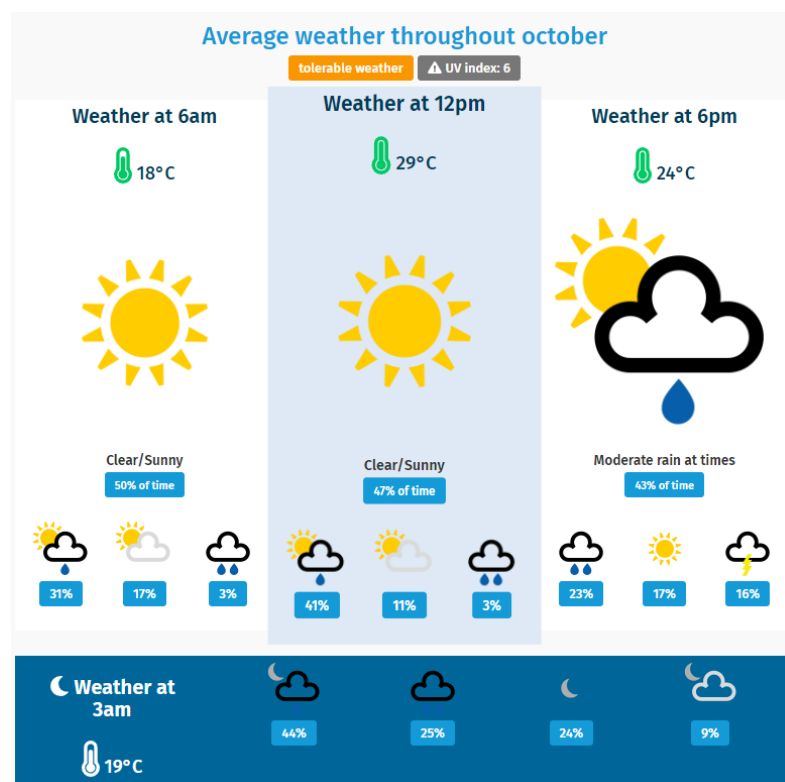

While in Kisumu, be sure to try out some of the world famous locally prepared tilapia and ugali dish ;-)

Climate

Kisumu can get hot. Octobers typically averaging highs of 29°C and lows of 18°C, with a UV index average of 6.

The LOC where possible will ensure plenty of shade can be found for teams at each field as well as offering water stations in the field. The sun is expected to shine from 6am until 7pm daily with a 41% chance of patchy rain.

The LOC recommends players to consider bringing their sun-screen, sun glasses and hats, as well as refillable water bottles.

Accommodation

The LOC is working hard to get discounted rates and packages from various local hotels and AirBnBs. Look out for more information on the event website <https://aauc2023.org/> and look out for our second Bulletin.

Transportation

Kisumu can be accessed by air, water or road. The infrastructure is pretty descent to get by.

Flying in? Book your local and international flight tickets or hotel at the right price through our travel partners QAIROS TRAVEL & TOURS. Contact Mercy at +254202547543 or +254729051265

Taxi anyone? Use on demand taxi hailing apps to move around Kisumu. Use Bolt or Dango. Download the apps from google playstore

Food

Lunch and water is included as part of the player fees, and will be provided to all teams at the designated serving booths in the fields.

There are also many options for food in restaurants within the city especially for your dinner options.

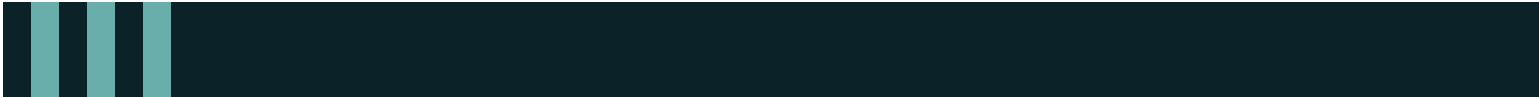

Visas

After your team has completed formal registration, it is important to inquire about obtaining the necessary visa to enter Kenya. Obtaining the correct documentation is your responsibility to visit Kenya and compete in AAUC 2023. The LOC can provide your team manager with a letter confirming your team's registration at the event. To do so, we require confirmation of the following details for all the members of your team: full name (as shown on passport), passport number, date of birth and role on team (i.e. player, coach, manager, etc).

Note: We cannot and will not provide a formal "invitation" to attend the event and inability to enter the Kenya is not grounds for a request of a refund for a team and/or player fees. We recommend EVERY TEAM makes specific inquiries and fully understand visa and travel requirements.

Health and Medical

Both WFDF and the LOC kindly request that all players and event participants recognize and accept the inherent risks associated with participating in AAUC, and acknowledge that WFDF and the LOC cannot be held accountable for any costs or risks associated with injury or poor health at the event. It is strongly recommended that all event participants take personal responsibility for their financial liability by acquiring their own travel and health insurance to ensure coverage in the event of any medical issues or event cancellations that may occur. Playing ultimate comes with a risk of injury. Throughout AAUC will have medical staff on site to deal with first aid and assess critical injuries, there however may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

Cancellation Policy

In light of events witnessed during the Covid-19 pandemic, forces of nature can interfere with event implementation. Should the event need to be canceled, as determined by WFDF in consultation with LOC, the following cancellation terms will apply to all event fee payments:

Cancellation announced 5th July - 15th August 2023: 60% Fees collected will be returned.

Cancellation announced 16th August - 30th September 2023: 20% of Fees collected will be returned.
