# EVENT TRANSPORT

With the aim of being as sustainable and economic with your tournament fees and the planet as possible we want to cater for a wide range of options for transport during the event. As such here is an outline of how we recommend getting around Nottingham during the event.

## **Walking**

- Highfields is a convenient 15-20 minute walk from the halls of residence on the University Parks Campus and 30-60 minutes from local City Centre Hotels
- Riverside is a lovely 45 minute walk from the University Parks Campus and 45-60 minutes from local City Centre Hotels.
- Highfields to Riverside is an approximately 30 minute walk along the canal.

## **Public Transport**

- Highfields is well connected with both bus and tram stops just outside.
- Riverside is served by a single bus route

## **Dott E-scooters & Lime E-bikes**

- These are available across the city and we are in the process of negotiating temporary stops at both Highfields and Riverside and significantly greater capacity.

## **Uber / Bolt / FreeNow / Taxis**

- There are lots of private hire / taxi options in Nottingham and if shared offer a good value and convenient option.

## **Car Hire & Parking**

- Car hire is an excellent value option when combined with transport to and from airports.
- Parking is available at both venues and we are currently negotiating to keep the costs as low as possible for participants and spectators.

## **Shuttle buses**

- We have partnered with a local coach company to provide shuttle services between Highfields and Riverside. The cost and the booking process for these will be made available to teams in due course, but you can expect the per person costs for the event week to be in line with, if not a little higher, than the other options outlined above.

*Nottingham trams run between the city centre and the University campuses & Highfields*

# UNIVERSITY MEAL PLANS

Halls of Residence rooms & Orchard / Jubilee Hotel rooms come with a Breakfast and Dinner meal plan included. The food quality & quantity was very well received at the World Under 24 Championships in 2023 and we have been working with the University to improve the offering further. The accommodated army of volunteers will be enjoying the meal plan in the Halls of Residence, whilst the VIP's & key WFDF representatives will be eating in the hotels. Having personally enjoyed both over the years we are confident they will be suitable for everyone.

The University caters for all dietary requirements and this has been an area of particular improvement since WU24 in 2023. After your booking is confirmed you will be asked to complete a rooming list with dietary requirements specified. You can find details and sample menus below and if you have any specific questions please contact [frisbee@nottinghamvenues.com](mailto:frisbee@nottinghamvenues.com)
