INTRODUCTION

Dear Players, Captains & Team Managers,

Please read the following information carefully and ensure that all vital information during online registration is reviewed, understood and accepted.

IMPORTANT: Should you not meet the requirements listed, you will not be eligible to play.

The following information outlined in the Online Registration Manual (ORM) is intended to provide Team Administrators with the information required to enable successful registration for WFDF Events for all their team, Players and Guests they manage.

We kindly request that Team Administrators pass this ORM on to all members of their team and ensure they read and understand it. It is of paramount importance that Team Administrators follow these guidelines and make sure that all Players, Non-Player Team Support and Teams fulfil all eligibility criteria when registering and prior to the WFDF Event.

**NOTE: There are action points throughout the book highlighted in red.
Please pay particular attention to these.**

For any immediate and urgent matters relating to the information presented in this ORM - or for any event related reach out, please contact WFDF via our helpdesk events@wfdf.sport.

NOTE: Please do NOT copy Karina or anyone else on the email, the helpdesk is checked frequently by the whole WFDF Event team and is the fastest way for action and a response while avoiding double up emails.

For general event related topics (tickets, accommodation, transport, food etc.) please contact the LOC. Emails are in the bulletin.

Given the high workload for WFDF and LOC, we kindly ask all teams to first refer to the event websites and FAQs for more information and for general inquiries.

Thank you for your understanding and cooperation, wishing you all the best in your preparation and we are looking forward to seeing you all soon at our summer of Flying Disc in Europe.

PROCESS

To take part in WFDF events, your team consisting of players and non-players (including your children travelling who are staying in official accommodation) MUST be registered. Accreditation will **NOT** be supplied to anyone not meeting all registration requirements. Accreditation is valid for all team members that registered and paid their fees. Accreditation collection is a simple process and is done at Event Registration at the host venue prior to the start of the event.

Step 1 (Read the ORM)

READ THIS DOCUMENT COMPLETELY and if you have a question please ASK! Teams not meeting all registration and eligibility requirements will forfeit their first game and each game there-after until you comply.

Step 2 (Team Administrator sets up team registration)

Ensure that ALL your Players, Non-Players and children U18 (staying at event accommodation with their parents) can register by capturing their data (name, role and email address) via the Online Registration. This is completed by the TEAM ADMINISTRATOR for all members of the team.

This must be done before the Roster Lock deadline.

- WMUCC - Registration Opens 27th April - Rosters Lock on 8th May (extended from 1 May)
- WJUC - Registration Opens - 1st May - Rosters Lock on 15th May
- WUCC - Registration Opens 22nd May - Rosters Lock on 15th June

Step 3 (Each team member completes online registration)

Following the completion of step 2 - Each team participant will be sent an email with a unique one time link to an online platform to load all personal information including online document acceptance check boxes. Note that a parent or guardian will be required to fill out online registration on behalf of any minors under 18.

This must be done before Roster Lock deadline. It is the Team Admin job to chase up your team.

Step 4 (Rules Accreditation)

Ensure that ALL players complete the WFDF Rules Accreditation test. See the Rules Accreditation Section for more information. Online Registration allows for Players to upload their Rules Accreditation Certificate. Each person should be able to produce a photo of the certificate (or screen shot) while at the event if requested during spot checks made by the Spirit Director.

Step 5 (SOTG information)

Ensure your Spirit Captain reads all SOTG material provided and shares the information back to the team.

Step 6 (Anti-doping online education)

Ensure that ALL players, coaches and medical staff complete the online anti-doping education tool and take a photo of their certificate after successful completion. Online Registration allows for participants to upload their Anti-Doping Certificate. Each person should be able to produce a photo of the certificate (or screen shot) while at the event if requested during spot checks.

Step 7 (Collect Accreditation at event)

Team Administrators complete Event Registration at the event and collect accreditation.

If your team has outstanding fees - you must pay in full in local currency so the team can play.

STEP 1 - READ ME

READ THE ENTIRE MANUAL FIRST! Remember to pass this on to each of your team members for them to read it too. If you have any questions - please ask by emailing the WFDF Events Team Helpdesk. **events@wfdf.sport** (no need to copy anyone else on the mail) - please remember to include the event, country, division and team name on every mail you sent - with more than 400 teams participating in 2026, this is a huge time saver for WFDF events team.

STEP 2 - TEAM REGISTRATION

NOTE: Team Registration for your players & non-playing team support (including U18 children travelling and staying at official accommodation with the team) is done online and initiated by the team administrator. Team administrators must fill out Step 2, the first part of Team Registration - this is to ensure the correct players and guests are registered for each team and to firm the final team size.

IMPORTANT: STEPS 1/2/3 MUST BE COMPLETED BEFORE THE ROSTER LOCK DEADLINE FOR YOUR EVENT!

STEP 2 - TEAM REGISTRATION Cont.

Part 2 - Only after you have fully registered all players and guests WITH ALL INFORMATION (after each team member did this), Team Admin should please return to Teams and select Ready for NF validation (green box). We will then know then you are ready to have your roster locked. NF validation or Roster Endorsement is only required for club teams and or club events.

Repeating again!!

ONLINE REGISTRATION MUST BE COMPLETED BEFORE THE ROSTER LOCK DEADLINE

Be sure to click on “ready for NF validation” when your team is complete.

Once your team roster is locked - WFDF will get in touch with the NF and provide a final playing roster for them to sign and endorse so that all teams are fully endorsed by each NF - please note, you do not need a copy of this letter - WFDF will handle this directly with each NF.

Please note – All teams have already supplied their player and non-playing team support numbers and have been invoiced. WFDF will conduct a final reconciliation and will adjust the fees due based on the information you provided in the registration list.

YOU DO NOT NEED TO EMAIL US. We will take the final roster lock counts as final.

During Event Registration at the host venue, teams will have to pay any fees outstanding before Accreditation will be issued.

Eg: if you paid for 16 players, but now want to bring 18 simply add them to the team roster online. WFDF will then charge you for the additional 2 players.

Refunds for teams that choose to bring less players or don't fill out the online form for all team members will not be issued. There is no chance to add players or guests after the roster lock date.

Any final amounts payable should be paid online prior to the event - if you have any small amounts and pay cash - you must bring the LOCAL CURRENCY (GBP for WMUCC and EURO for WTDGC, WJUC and WUCC) to pay at registration in person - do not hand over any cash to anyone besides WFDF Events Team (Karina Woldt) who will issue a paper receipt.

STEP 2 - TEAM REGISTRATION

Please pay attention to this section - many teams miss this page and then have difficulties in roster updates.

FOR ANY INJURY RELATED PLAYER SUBSTITUTIONS (once rosters are locked) until the event, please let us know immediately by filling out the player substitution form. Substitutions are at the full discretion of WFDF. [CLICK HERE TO ACCESS 2026 PLAYER INJURY & SUBSTITUTION FORM](#) You do not need to email the doctors certificate, simply bring with you to registration in the event.

DO NOT include spectators on your registration list. Anyone who is not a player and has not registered as a non-playing team support, U18 children or babysitter, are considered a spectator.

Note about fees:

For any teams that have outstanding monies (Eg: bank fees to pay or additional team members) you will have to pay up front via bank transfer. Any reductions in team sizes will only be refunded as per the list you supply (based on medical grounds for refunds). Do NOT give any money during event registration unless it is by prior agreement with WFDF who will issue a RECEIPT. Any team who has fees to pay or refunds will be sent an email two weeks prior to the event with a full financial tally. We kindly ask you to transfer the funds via electronic bank transfer or for small amounts under USD \$50 you can bring the exact amount payable in cash in the local currency of the event.

Note about Roles:

While we understand & appreciate that you might have multiple Captains and Spirit Captains, WFDF needs to have one (1) dedicated representative per team for Captain and 1 Spirit Captain. You may choose to indicate different people each game when checking the roster of players taking the field. Your Medical and Coaching staff have different paperwork requirements to other non-playing team support (Admin and Guest). If you are not sure of the role, please use Guest.

Note about Team size:

The number of players and NPTS guests you officially register via the official event registration platform (when we lock rosters) will form the final basis of all team fee calculations. You do not need to email us - and any emails that have been previously sent have not been actioned. It is up to you to ensure your team list is complete and accurate. For Ultimate events, if you already paid for 22 players and now want to bring 2 more - that is fine, just make sure you fill out the information online for all 24 players and WFDF will send an updated invoice for any and all fees outstanding.

YOU DO NOT NEED TO EMAIL WFDF with team additions or substitutions -please use the form.

STEP 4 - RULES ACREDITATION

This section applies to **ULTIMATE events only**. Participants in **DISC GOLF** events may skip this section and follow discipline-specific requirements below.

ULTIMATE

The WFDF Rules Accreditation process allows players to demonstrate that they have read the Rules of Ultimate, understand them, and can apply the rules correctly.

Players are strongly encouraged to refer to the WFDF Rules of Ultimate 2025-2028 and Rules Appendix and all supporting documentation, when attempting the quiz.

The WFDF Rules of Ultimate 2025-2028 - Official Version effective 1 January 2025 are in place for 2026 WFDF events and you can find them at <https://rules.wfdf.sport>

The format of both levels of Accreditation (Standard & Advanced) is an open book quiz that is based on the WFDF Rules of Ultimate. The quiz is designed to allow players to demonstrate that they have read the Rules of Ultimate. Non-Players DO NOT require rules accreditation.

IMPORTANT: Ultimate Rules accreditation is valid for a period of 18 months. Players that passed the accreditation tests more than 18 months prior to the start of the event will have to pass the test again.

Standard Rules Accredited players require a score of >80%.

Advanced Rules Accredited players require a score of >85%.

Since 2026 this process is delivered through the **WFDF Academy**.

Requirements: Your team must comply with the requirements below, **PRIOR** to your first game - ideally before your team completes on-site event registration.

1. All players must complete Rules Accreditation prior to the event
2. At least 50% of players must complete the Advanced level
3. The **CAPTAIN** and **SPIRIT CAPTAIN MUST** have the **Advanced Rules Accreditation**.

STEP 4 - RULES ACCREDITATION

Upon completion, players will receive a certificate which must be uploaded via the Online Registration portal. Players should also keep a copy (photo or screenshot) available at the event for verification.

For any questions regarding WFDF Rules Accreditation, please contact WFDF rules@wfdf.sport.

Important note regarding Rules Accredited players:

- They have the same responsibilities on the field as every other player
- They do not release a Captain from their responsibility to ensure their team upholds the Spirit of the Game
- They do not replace the requirement for each player to learn and apply the rules and play with good Spirit

A **Spirit Director** will be present at 2026 WFDF events, along with a team of dedicated Spirit Assistants. They will be responsible for collecting and reviewing Spirit Scores, discussing any accreditation non-compliance with the relevant teams and assisting the teams to meet their requirements, and working with all teams to ensure the highest standard of Spirit during WFDF events.

To ensure clear and direct communication about **Spirit Of The Game** matters at WFDF events, each team must identify one (1) Spirit Captain who will fill this role for the duration of the tournament.

The **Spirit Captain** role can be filled by any player on your team, with the exception of your captain.

For more information on SOTG, please make yourself familiar with the following documents:

<https://wfdf.sport/spirit-of-the-game>

Before the tournament, the Spirit Director will host the Spirit Captains' meeting providing useful information such as outlining the "Role of the Spirit Captain". Feel free to introduce yourself and ask any questions you may have in that meeting.

Enforcement

During WFDF events the Spirit Director and Assistants will be doing spot checks to ensure teams have met the rules accreditation criteria. Anyone not complying will be required to leave the field until all requirements are met. We strongly encourage all players to take a photo of their certificates to have on hand at events should they be requested as part of the spot checks.

DISC GOLF

Players competing in Disc Golf events must:

- have an active Professional Disc Golf Association membership
- hold a valid PDGA Certified Official status

ABOUT SPIRIT OF THE GAME

Ultimate relies upon a Spirit of the Game that places the responsibility for fair play on every player.

Spirit of the Game (SOTG) is the mindful behaviour practised by players prior to, during and after a game of ultimate. It encompasses attitudes and skills such as good knowledge and application of the rules, fair-mindedness, safe play and spatial awareness, clear and calm communication, and a positive and respectful attitude towards teammates, fans, and opponents, in a mutual effort to protect the basic joy of play.

We strongly believe that Spirit of the Game helps people to develop skills in polite, calm and respectful communication even in difficult situations, and to make friends all over the world despite ethnic, national or religious differences. Spirit of the Game promotes understanding and peace in our sport, and we hope that through each player, that influence can spread beyond the field and make real changes in the outside world.

At all WFDF Events, every team in every division has chosen a Spirit Captain. It is this player's responsibility to work with their team and all opposition teams to ensure that the highest standard of the Spirit of the Game is maintained throughout the competition (both on and off the field).

A Spirit scoring system has been developed to evaluate the other team immediately after each game. With all players involved and led by the Spirit Captain, each team fills in a Spirit scoresheet. Using guidelines and examples found in the Spirit scoring examples document, each team can provide a more consistent score for the other teams. The Spirit scoring system therefore serves as an educational tool where teams can learn how to improve based on standardised feedback.

To celebrate Spirit of the Game, an award is presented to the team in each division with the highest total Spirit score. Winning this award is held in the highest regard and all teams strive to achieve this.

Good luck to all athletes. Your physical and mental abilities represent the pinnacle of our sport in your age group. You have the opportunity to demonstrate the highest values of sports competition through the Spirit of the Game. Fans and spectators, you can look forward to some incredible action and even more incredible displays of Spirit throughout the Championships.

SPIRIT OF THE Game:

STEP 6 - ANTI-DOPING

ANTI-DOPING INFORMATION

“EVERY ATHLETE HAS THE RIGHT TO CLEAN SPORT!”

A clean sport is one where athletes compete fairly, honestly and within the established rules. Spirit of the Game in the Flying Disc Sports encompasses this as it requires athletes to avoid actions such as intentionally breaking the rules, playing dangerously, acting abrasively or other “win at all costs” behavior, such as doping.

WFDF is a signatory of the World Anti-Doping Agency’s World Anti-Doping Code. These Championships are considered an International Event under the Code and WFDF’s Anti-Doping Rules. Athletes participating are considered “International-Level” and subject to Testing and Therapeutic Use Exemptions (if required) and other specific provisions.

In preparation for WFDF events, we kindly ask you to ensure that ALL team members review the Anti-Doping information carefully. If you have any questions, please ask.

The full Rules and additional information is available on the WFDF website and anti-doping webpage at: <https://wfdf.sport/anti-doping>

Athletes should check medications and supplements before consuming them to ensure they do not contain any substances or methods on the Prohibited List.

Several over-the-counter medications contain prohibited substances (i.e., cough, flu, etc.).

Many recreational drugs contain prohibited substances and will result in an Adverse Analytical Finding when the Athlete is tested.

Supplements may contain prohibited substances (also due to poor labeling or contamination). Athletes with illnesses and/or conditions that require them to take medications that contain a prohibited substance or undergo procedures that are a prohibited method must apply for a TUE to allow its use (i.e., ADHD, asthma, diabetes, etc.).

Therapeutic Use Exemption (TUE) Applications must be submitted at least 30 days before the Championships with all supporting documentation. Exceptions only if one of the conditions of the Retroactive TUEs applies.

Report doping or any concern about doping to WFDF’s Integrity Officers.

Ahead of the WFDF Event, all Athletes and Athlete Support Personnel should review the **Anti-Doping Information and Resources thoroughly, including:**

WFDF Anti-Doping Rules

WADA Prohibited List, Substances and Methods (Current Year)

WFDF TUE Process

WADA Anti-Doping Code and Standards

Athletes’ Rights and Responsibilities and the Risks and Consequences of Doping

For any questions on WADA or Anti-Doping, please email: antidoping@wfdf.sport

Please find via [the following link a document](#) to support Teams, Athletes and Athlete Support Personnel to compete clean, providing essential information and signposting different resources. Key information is copied below and was provided via email:

EDUCATION REQUIREMENT: All Athletes and Athlete Support Personnel (Coaches and Medical Staff) are required to complete mandatory International-Level anti-doping education via the WADA's learning platform relevant to their role and **submit proof of completion as part of the registration process**, specifically:

- Coaches are required to complete the [High Performance Coaches Education Program](#)
- Medical Professionals are required to complete the [Medical Professionals Education Program](#)

THERAPEUTIC USE EXEMPTION PROCESS AND DEADLINE: Athletes may have a condition, illness or injury that requires a particular substance or method (i.e., ADHD, asthma, diabetes, etc.). If an Athlete is required to take medications that contain Prohibited Substances, the Athlete must apply for a Therapeutic Use Exemption (TUE). Athletes must submit a [TUE Application Form](#) completed in full with their Physician with:

- A comprehensive medical history, including documentation from the original diagnosing Physician(s)
- The results of all examinations, laboratory investigations and imaging studies relevant to the application

Substances prohibited In-Competition only, the Athlete **must apply for a TUE to WFDF at least 30 days before the Championships**, unless one of the exceptions on retroactive TUEs applies.
